## **God's Blessing of Faith Blessings of Abraham**

He made us a great nation.  
He made our name great.  
He made us a blessing. (property, great favor)  
He blesses those who bless us.  
He made all the families of the earth blessed in us.  
He gave us and our descendants land.  
He gave us and all our descendants all the land we can see.  
He gave us descendants numerous as the dust of the earth.  
He is a shield for us.  
He made our reward very great.  
He established a covenant with us.  
He multiplied us exceedingly.  
He made nations out of us.  
Kings come forth from us.  
He made us exceedingly fruitful.  
He has given us righteousness.  
He has made us father a multitude of nations.  
He has established his covenant between me, you, and our seed forever.  
He will be God to us and our descendants.  
He has greatly blessed us.  
He has greatly multiplied our seed.  
He has made us and our descendants possess the enemy's gates.  
He has blessed many nations through me and my seed.
